June 2nd, 2020 - but now that the Europeans have showed the way to perhaps the most highly technical trout nymph fishing in the world, Americans are finding new

challenges that may prove what veteran nymph anglers have said all along: nymph fishing requires more skill than dry fly fishing. The great British nymphing

pioneer and master gem skues minor,

'how to french nymph for grayling fly and lure

June 3rd, 2020 - French nymphing for beginners. French nymphing like Czech nymphing is a short line nymphing technique that was first seen on the Dee in the late 1980s and early 1990s and has continued to evolve. It's now one of the main methods used on the river and takes the bulk of grayling and trout as well as the odd accidental salmon.

'fishing the french leader fulling mill blog

June 5th, 2020 - a long tapered leader is the preferred set up for French nymphing with the Hendz camou leader being an all round favourite. However, of late many anglers have been leaning towards micro thin fly lines with a short leader off the end. The Airflo Sln Euro nymph line has been a firm favourite of mine over the last three seasons.
