June 7th, 2020 - digital marketplace 5 film hub film hub is a great new resource that helps filmmakers to get access to movie distributors it s a digital marketplace

that helps connect finished films to audiences it has the potential to cut out so many of the middle men and gatekeepers that prevent creators connecting their

product to the right,

### 'film vs digital is the expense of moviemaker magazine

June 4th, 2020 - obviously there are pretty big savings to be had on lower mid priced digital camera packages but it is possible to bridge those gaps the parable

cost total for the red epic for example is within reach of my 16 000 film budget from how the fire fell in other words if i had rented and shot on a red or parable

digital camera it would have cost me close to the amount that i spent on,
